## CRÉMANT D'ALSACE ROSÉ

**Tasting notes :** This pink Crémant d'Alsace is characterised by its very fine and consistent bubbles. It seduces through its bouquet of red fruit. To the taste, it is balanced, complex and fresh.

**Wine pairing :** Very pleasant as an aperitif or to accompany a summer meal, it marvellously enhances deserts of rhubarb or red fruit and berries.

**Style :** Sparkling Brut rosé wine

**Appellation :** Crémant d'Alsace

**Characteristics of the soil :** Argilo-Calcareous

**Altitude of vineyard :** 250 m

**Grape variety :** Pinot Noir

**Age of the vines :** 25 years

**Harvest :** Harvested and sorted by hand

**Vinification :** Extraction of selected juices through pneumatic pressure of whole grapes followed by a one-month fermentation process within the bottle. The bottles are then laid down to mature for eighteen months.

This wine carries the organic certification FR-BIO-01.
